LRA Customs Recruitment of Honor Graduates Verification Process

The Liberia Revenue Authority (LRA) has commenced the recruitment process of recent university graduates to serve as Customs Officers. As part of this initiative, universities were requested to submit the contact details of first-degree graduates who attained academic honors of Cum Laude, Magna Cum Laude, or Summa Cum Laude during the 2023/2024 and 2024/2025 academic years.

Accordingly, the LRA invites all eligible honor graduates from the **University of Liberia (UL)**, **Cuttington University (CU)**, **African Methodist Episcopal University (AMEU)**, **African Methodist Episcopal Zion University (AMEZU)**, **Stella Maris Polytechnic University and Starz University** for academic years 2023/2024 and 2024/2025, as listed below, to visit the Customs Department at LRA Headquarters from August 17–21, 2026, to provide their contact details for official communication.

Please note that eligible candidates will be required to participate in a competitive assessment process following the verification exercise.

Final selection will be based on merit, demonstrated performance throughout the assessment process, and the operational staffing needs of the Liberia Revenue Authority which forms part of the LRA's standard procedure for professional staff recruitment.

Please note that this recruitment process is not open to the general public. It is strictly limited to the above-mentioned universities, categories of graduates, and graduation timeline specified in this announcement.
